Good Deeds W.I. Hears Talk On Human Relations

Gathered at the home of Mrs. George Dingwall Thursday afternoon were seven members of the Good Deeds Women's Institute and three visitors.

Mrs. Pat Dingwall presided over the meeting with Mrs. Eileen Wylie acting as secretary in the absence of Mrs. Lena Brown.

No CAC or rest room reports were available. Mrs. Jean Whitehead gave the treasury report.

Mrs. Jean Whitehead was appointed new publicity chairman. Tickets for the food hamper raffle at the October bake sale were distributed among the members. Mrs. Wylie volunteered to make necessary arrangements for renting the Legion Hall again this year, and Mrs. Deanna White and Mrs. Jean Whitehead agreed to make posters.

To answer roll call each member had brought a "white elephant." These items were auctioned, Mrs. Eileen Wylie, auctioneer. A wide variety of white elephants, some being wrapped to add curiosity, and hope of a real bargain, drew animated bidding and a total of five dollars was achieved.

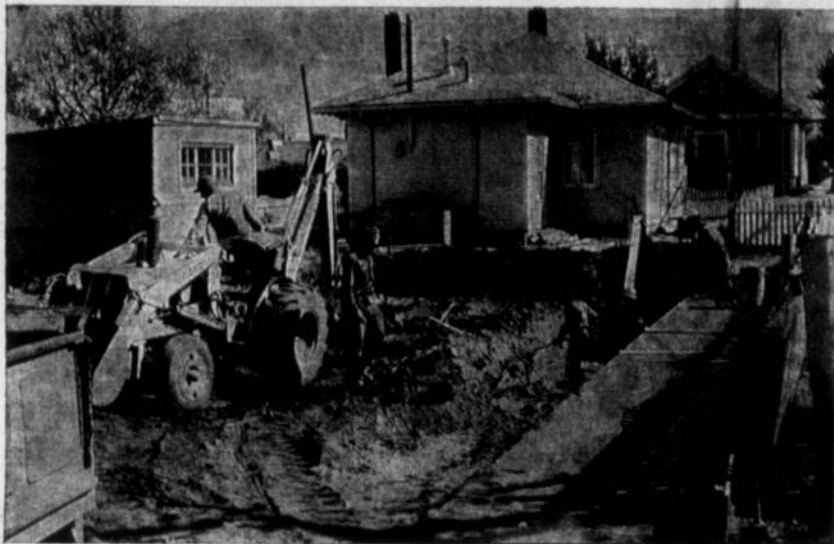

The tea raffle was won by Mrs. Pat Dingwall.

The ladies were glad to welcome as their special guest, Mrs. Gerald Newman, district director, who delivered a most entertaining talk on the course on human relations she had attended at Fort Qu'Appelle. Mrs. Newman also mentioned the forming of a WI workshop where newer, less-informed members could become better acquainted with the extent of Institute work.

Plan Special TV System For Hospital

Arrangements have been concluded between the Vulcan Municipal Hospital board and the Vulcan Electric Co. whereby special television sets will be available to patients on a rental basis.

The special TV sets have under-pillow speakers and remote controls and can be plugged into a special wiring system now being installed. Ordinary TV sets cannot be operated on the special wiring and antenna systems and will not be allowed in patients' rooms.

Another of the changes taking place with each passing year along Vulcan's downtown streets, is pictured above. Within two months this corner lot which for

years has held the small office and switchboard of Alberta Government Telephones will be enlarged to accommodate automatic dial equipment which is part

of the new development of phone communications. The building will be completed late this fall and next step will be the switch to the dial system next April.

Awards Presented

Eight Graduates Honored At Milo School Exercises

The annual Graduation Banquet and Dance was held in the Milo School Auditorium on Sept. 13. Nine students attempted examinations for either senior matriculation or diploma and the eight successful candidates were honored Friday evening. Graduates were: Barry Gore; Brian Bittorf; Norma Monner; Mrs. June Beckner; Ron Fernley; Lyle Greaves; Charles Klemle and Lynne Godkin.

The banquet was opened by the singing of "O Canada." Pastor Wayne Berg said the grace. Toastmaster Brian Bittorf opened the program with a toast to the Queen. The program was as follows: Toast to the staff, Charles Klemle, response by Mrs. Adeline Stebbing; toast to parents, Joan Papp, response by Mrs. Betty Papp; toast to graduates, Principal Steven Fluter, response by Valedictorian Barry Gore; solo, Judith Willard accompanied by Mrs. Myrna Winch.

Awards to Graduates—

Phillip Bertrand, president of Milo Senior Students' Union, presented graduation pins to the graduates.

Mrs. Claire Lahd, president of Milo Home and School Association, presented the Grade 12 awards for academic achievement in the following subjects: Chemistry, Barry Gore; English, Barry Gore; Biology, Brian Bittorf; Mathematics, Norma Monner; French, Mrs. June Beckner; Social Studies, Charles Klemle. The Queenstown-Milo Canadian Legion Scholarship for Grade 12 was presented by Lawrence Smith to Barry Gore.

The Queenstown Women's Institute Scholarship for highest standing in Grade 9 was presented by Mrs. Jesse Lahd to Gordon Gore.

Guest speaker, E. K. Hawkesworth, Superintendent of Schools, was introduced by Brian Bittorf. Mr. Hawkesworth gave a very inspiring talk to graduates and guests. Guests included Mr. and Mrs. E. K. Hawkesworth, County Council Chairman Jack Dietz, and Mrs. Deitz, School Committee representatives and Mayor of Milo R. O. Bertrand and Mrs. Bertrand. Dancing followed with music supplied by Tracy's Orchestra, Lomond.

Reid Hill W.I. Hears Talk On Bolivia

The regular monthly meeting of Reid Hill WI was held Thursday, Sept. 12, at the home of Mrs. C. L. Kuykendall. Twelve members and one visitor were present.

Mrs. C. Love, the president presided and was assisted by the secretary, Mrs. Jack Marshall. The treasurer's report was given by Mrs. Kuykendall. The punctuality draw was won by Mrs. Carrie McIntyre.

Correspondence was light and dealt with routine matters. Committee reports included one on the anniversary observance, held last week, which proved highly enjoyable. Roll call was answered with "A Beauty Spot in Alberta." Many members felt Vulcan and district the loveliest.

At the conclusion of the business session the meeting was turned over to Mrs. W. F. Chandler. Her subject was Bolivia, where she and her husband had spent 13 years as teacher-missionaries. She spoke on the customs of the people, giving the history of Bolivia and its development. She displayed a number of pieces of handicraft done by the natives, both in wood and cloth.

Mrs. Chandler described many of native beliefs and said the people had few of the advantages of modern civilization. Throughout her talk Mrs. Chandler's love of Bolivia and its people was quite evident. A hearty vote of thanks was given the speaker. The Chandlers have recently come to Vulcan, where Mr. Chandler is on the teaching staff.

A dainty lunch was served by the hostess assisted by Mrs. Sales, to conclude the afternoon's program.

All-Girl Events Are Feature Of Strathmore Rodeo

The Strathmore and District Memorial Arena will again be turned into a cow palace when youths from all over the province will be competing for money and trophies on Friday and Saturday, September 27 and 28.

An additional feature will be the "All Girl Rodeo Events" when members of the Canadian Barrel Racing Association will be taking part.

The rodeo, managed by Frankie Cockx, Strathmore, will, in the main, be of the High School variety which is a change from last year, when it was an invitational affair. Harry Vold, DeWinton, will be the arena director as well as supplying stock, Jack Hartell, Strathmore will also supply some stock.

It will be a two-night performance starting at 8:00 p.m. the same as last year, but the management has added a Saturday Matinee beginning at 2:00 p.m. this year, to give the youngsters a chance to see the show. A sell-out crowd is expected for the three performances.

It will be remembered that the ladies and their Canadian Barrel Racing and Riding Association held (Continued On Page 10)

Artificial Ice First Step

Campaign For Recreation Centre Aims At \$50,000 Or More

A campaign designed to bring, for this winter, artificial ice to Vulcan and to eventually provide complete community and recreation facilities for the town and district, is to begin on the completion of harvest operations.

At a meeting Wednesday, September 11, 18 members of a representative committee, most of whom serve on a board to be known as the Vulcan District Recreation Centre directorate, completed plans for the submission to the general public of a proposal to convert the present Vulcan arena into a recreation centre containing an artificial ice arena suitable for year-round use, a lounge and meeting room and a room suitable for auditorium and banquet use. The application for registration of the body to be known as the Vulcan and District Recreation Centre is expected to be approved shortly. In this incorporation under the Societies Act, donations may be made deductible for income tax purposes.

Several factors are being stressed by the committee in support of their arena conversion project. In survey work and in earlier planning which has been going on since February 1962, the need was expressed by the public for such a project and about 80 per cent of those surveyed indicate willingness to support a fund-raising campaign for artificial ice and to volunteer assistance in labor and machinery.

Within recent weeks a government inspector has checked the building and has recommended it for the use intended. He claimed the arena is in better shape than were two similar structures in the area which were renovated and placed a value of \$50,000 on the building. Architects have already okayed the building but this can only be a verbal assurance until final plans are submitted.

Location was another point favoring the arena, according to the committee. It is felt to be central enough so that almost all children can walk to it but if another site were found — and this was ruled out because of the prohibitive cost of "starting from scratch" — it would almost certainly be far enough away from the centre of town that youngsters would have to be driven to it.

Parking at the arena will be an immediate problem but it is felt

that this will be eased by future building changes on the arena block.

Objective for this campaign is set for at least \$50,000 which will see the installation of artificial ice complete with cement floor and should leave a balance for another phase of the development. Ross White was named at the meeting to head a finance committee. Pledge forms will be printed and distributed and while the amount needed per family in town and district will be substantial, payment involving three years duration can be arranged for those so wishing.

Correspondence with ice making companies indicates that 25 per cent of the total cost is needed before work can commence.

A complete history of the project and photo of the arena and architects sketch of a possible floor plan is found elsewhere in this issue. The committee emphasized that the plan shown is not definite or final and is only a proposed experimental layout, likely to undergo extensive changes.

Parades Commence Thursday For Vulcan Cadet Corps

First parade of the Vulcan Corps of the Royal Canadian Army Cadets will be held this Thursday evening, September 19, in the Vulcan Armouries at 7:30 p.m. Parades will be held every Thursday evening, with instruction in rifle shooting and range work every Saturday morning.

The unit expects to start the training season with about 25 boys, but can handle up to about 35 with the equipment and facilities available. Cadet Corps membership is open to all medically fit boys who are 14 years of age or over prior to July 1, 1964. Uniforms are supplied.

Training at the start of this season will include first aid, signaller (Morse code) training, drill and marksmanship. A weekend exercise is planned for this fall. Chief Civilian Instructor is

Frank Burchak, principal of the Vulcan Elementary School, and he is assisted by Lt. Ronald Brinton of The Calgary Highlanders. The services of other Militia instructors are available when required. The Vulcan Legion Cadet Corps is affiliated with "A" Company of The Calgary Highlanders and is sponsored by the Vulcan branch of the Royal Canadian Legion.

Garden Planted In July Has Excellent Yield

The summer of 1963 will likely be long remembered for the abundance of garden produce, flowers and of course most important, the fine crop yields. However, Mrs. C. L. Kuykendall feels she established some sort of a record for this area. She planted her first garden at the regular time in the spring. But, when the rains came, much of this garden was simply washed out. Still determined to have a garden, Mrs. Kuykendall planted peas, beans, beets and carrots on another piece of land, on July 5 and for the past week has been busy gardening a fine crop of all these vegetables. The quality of this crop is much superior to any other she raised this year.

Mayor and Two Councillors To Be Nominated

Nominations for mayor and two councillors to serve on the council of the Town of Vulcan and for a hospital board member to represent the Town on the board of the Vulcan Municipal Hospital District are required to be in the hands of the Returning Officer at the Town Office between 11 a.m. and 12 noon on Wednesday, Sept. 25.

The terms of office of Mayor M. R. Morrison and Councillors Douglas B. Smith and G. C. Ness expire on October 28.

The mayor's term of office is two years and councillors are elected for three years.

Resident taxpayers are eligible to make nominations (forms are available at the town office) and everyone 21 years of age or over who resided in Vulcan for the past 12 months may vote in the October election which will be held if there are more than the required number of nominations.

VISUAL SIGHTING

If the sea is calm and the air perfectly clear, it is possible for a person in an airplane to see a submarine submerged to a depth of about 60 feet.

A.A.R.N. Starts Fall Meetings

The fall session of the AARN Chapter 28 started at 8 p.m. on September 4, in the basement of Anglican Church with ten members and a guest present. President M. Graham thanked M. Pickersgill and her committee for the splendid work done on the July 1st float.

A. Griswold gave a program report stating Dr. Gibson from Okotoks would speak at the October meeting. After some discussion tentative plans were made for our annual Christmas dance.

Following adjournment a tasty lunch was served by P. Selland, N. Johnson and A. Griswold.

No Frost Yet

Harvest Halted By Rain— Estimated 45% Completed

Farmers didn't get too much harvesting done last week as a light rain shower on Wednesday held up operations all day Thursday and a light but steady rain started falling during the early hours of Saturday and continued intermittently until Monday morning.

Rainfall in Vulcan as recorded by the Alberta Wheat Pool totaled 1.35 inches and the weather remained cool and cloudy until Tuesday afternoon. Warm weather with some wind would possibly allow harvest to resume this weekend.

It is estimated that harvest in this area is 45 per cent completed. The wide variation in growth this year has resulted in a situation where some farmers are completely

finished combining and others have not yet started. The recent rainfall may mean a loss in grade of crops still in the swath but these crops are generally expected to yield quite well. Lowest temperature this past week was 36 degrees and there has been no frost damage yet.

The rainfall records kept by Larry Hagg of the Alberta Wheat Pool in Vulcan show that a total of 15.7 inches of rain has fallen here since May 1 of this year. Some parts of the County area have received less precipitation than this; other parts have received a bit more. In general, although no early spring rains were received, precipitation has been above average and there is now a reserve of moisture in the ground.

More Singing Awards Won By Donald Hansen

Further musical honors have been won by Donald Hansen, 13, of Ensign district.

He was awarded a silver medal from the Royal Conservatory of Music of Toronto for achieving highest marks in the province in Grade VI singing. All other competitors in this class were adults. In examinations conducted by the Western Board of Music he received first class honors in singing and honors in Theory II and in Grade III Piano he received first class honors from the Toronto Conservatory.

The son of Mr. and Mrs. Harold Hansen of Ensign, he is in Grade 9 and attends school at Brant. He won the silver medal for Grade IV singing last year and is studying piano and dancing. He received high praise for his singing as Amahl in Amahl and the Night Visitors and more recently for his performance as Louis in the Calgary Theatre Singers presentation of The King and I.

Sally Truss, 12-year-old soprano from Cochrane and the daughter of Mr. and Mrs. Donald Truss who taught school at Brant and Mossleigh respectively two years ago, won the silver medal for highest marks in the province for Grade I singing. She earlier won first place in the Calgary Musical Festival and made her stage debut in the opera "pagliacci."

Tell Me More

"I'm not wealthy and I don't have a convertible like Jerome Green," apologized the suitor, "but darling, I love you."

"And I love you too," replied the girl, "But tell me more about Jerome."

The sounds emanating from the above group of future musicians are not necessarily music to the ears at present and the home life of many a parent around Vulcan and district is not just the same any more, but given time, training and with a liberal dose of initiative, Vulcan will have its own band.

Above, band instructor Art Dees, is shown trying to get across to members of the newly formed junior band, some of the basic ideas behind the playing of an instrument. Over 40 beginners are presently signed up for instruction with regular Monday practices being held at the Vulcan Elementary School auditorium from 4:30

to 6:30 p.m. About 20 members attended the senior practice last Monday night and while a balance of instruments is lacking so far, more players are expected to join and a good nucleus is already established. These rehearsals start at 8:00 p.m. Monday nights and in both bands there is room for more members.

Building Permits \$394,050

Building permits in the amount of \$52,900 were approved at the September meeting of the Town of Vulcan council, bringing the total for the year, to date, up to \$394,050.

Approved at the September 9 meeting were the following permits:

William Warren for a 31x39 frame dwelling on Lot 4, Block 27. Contractor: Wilson Homes Ltd. Estimated cost \$13,000.

Revelstoke Building Materials Ltd., 24x43 frame dwelling on Lot 1, Block 27. Contractor: Revelstoke. Estimated cost \$13,500.

Alberta Government Telephones,

38x49 masonry telephone building and garage on Lots 15-16, Block 6. Contractor: Poole Construction Ltd. Estimated cost \$25,000.

J. W. Fleming, 12x20 frame garage on Lot 8, Block 38. Contractor: self. Estimated cost \$400.

Bruce Daniells, 24x40 frame warehouse on Lots 16-17, Block 1. Contractor: self. Estimated cost \$1,000.

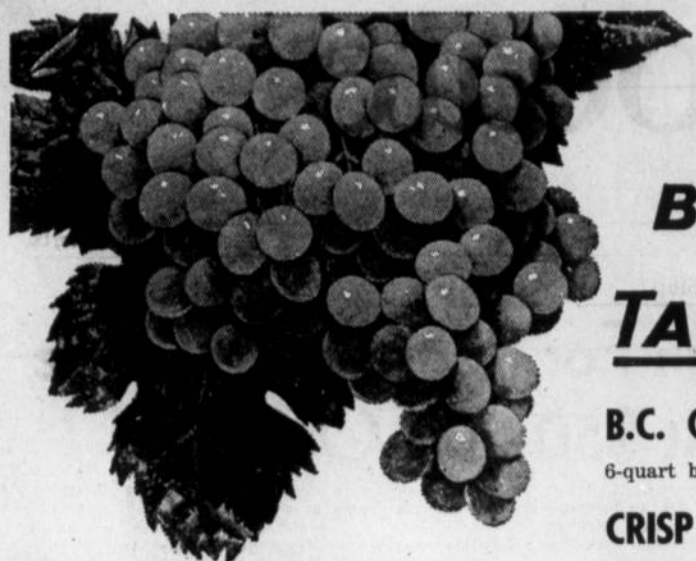

Gareau's Iron Works asked that a price be set on Lot 19, Block 1, and were quoted a price of \$750.

A request by Adolph Schmolke of the Vulcan Hotel that the curbs adjacent to the hotel be re-

moved was approved. Instructions were given to the public works department to remove the curb on 2nd Avenue and to see what could be done about the curb on Centre Street.

M. K. Sinclair was appointed Returning Officer for the purpose of receiving nominations on Wednesday, September 25, for mayor, two councillors and town representative on the Vulcan Municipal Hospital board and for conducting an election in October if necessary.

Mayor M. R. Morrison and Councillors S. H. Joiner, J. M. Wolfe, G. H. Richardson, S. Scales and G. C. Ness were present for

Blackie News

Mr. and Mrs. Sam Daigneau left on Wednesday for their home in Montreal after having spent the past few months visiting here at the home of her mother, Mrs. Mary Elliott, and other relatives and friends.

Mr. and Mrs. Doug Pakenham of Banff and Mr. and Mrs. Jack McNeill of Calgary were Sunday visitors at the home of Mr. and Mrs. Jimmy Montgomery, Jr.

Harvesting is in full swing with the yields of crops very good. There has been some evidence of rust. Jim Stier reports that his barley crop has yielded well above the district average.

Mrs. Herman Stettner of Benalto has been a guest here this week at the home of her brother and sister-in-law, Mr. and Mrs. Dalton McDougall.

Neil Stearns of Victoria is visiting with his mother, Mrs. Beatrice Stearns.

John Webb and Jim Stier left on Friday for Louisville, Kentucky. Mr. Webb travelling by bus and Mr. Stier by plane. Mr. Webb is past Grand Patriarch and Grand Encampment representative and Mr. Stier is past Grand Master and representative of the Grand Lodge, IOOF, at the sessions held this year in Kentucky. Mr. Webb will be serving on a committee upon arrival while Mr. Stier's presence was required earlier as a member of the Judiciary committee. Upon his return, Mr. Stier plans to stop over in Wisconsin for one and one half days to visit with relatives.

Allan Ritchie of Cranbrook, B.C. visited here with Mel Clingman.

Congratulations to George Southgate for earning a new bicycle as a prize for selling additional subscriptions to the Albertan.

Overnight guests at the D. McDougall home were Mr. and Mrs. Harry McDougall and her father, Milton Cooke of Barrie, Ontario.

Miss Rosalie Johnson, having completed her studies at the Blackie school, is taking a course in business administration at the Henderson Business College, Calgary.

Mr. and Mrs. J. Harrow of Clive and Mrs. Jenny Kumlin of High River were guests in Blackie to attend the graduation exercises of the school students.

VILLAGE AUDITORIUM

The Province of Alberta Inspector's report on the village auditorium was received by the mayor and town council and states that there is evidence of rot in several of the structural arches.

Therefore before the license for amusement purposes can be issued for 1964, there will have to be a thorough program of repair and renovation carried out. The auditorium was built in 1917 and is a frame arch, tarred roof building, size 58 feet by 45 feet.

The building has been used at various times through the years not only for dances, but for Christmas concerts, indoor carnivals, lodge meeting sessions, voting stations, variety programs and has served this community and district well.

FAMILY RE-UNION

A family re-union was held recently at Indian Battle Park, Lethbridge when the members of the family of Mrs. Pearl Stromsmoe of Blackie gathered for a picnic.

In attendance were Mr. and Mrs. Jack McCullough and son Thomas of Calgary; Mrs. Don Morrison and children Gwen, Johnny and Murray, Mr. and Mrs. Tommy Thompson and family Leslie, Sharon and Wayne, Mr. and Mrs. Bob Slack and family Shirley, Kenny, Beverly and Ricky, all of High River.

Mr. and Mrs. Jim Kratchmer and family Lynell and Todd of Champion and friend Miss Jo Anne Law of Calgary; Mr. and Mrs. Herb Hanson and daughter Lemoine of Calgary; Mr. and Mrs. Arnold Stromsmoe and family Sandra, Milo and Edwin of Manyberries; Mr. and Mrs. Demoin Stromsmoe and son Gerald of Pendant D'Orville. Also attending were Mr. and Mrs. Andy Robinson of Alderwood, B.C., old friends of the family.

GRADUATION BANQUET

More than 70 guests attended the graduation banquet held in the IOOF Hall sponsored by the Blackie Home and School Association, on Saturday, September 7.

Students honored were: Matriculants— Grant Lynn Cooke, Joan Elsie Kumlin and Karen Anne

Bricker; High School Diploma— Marlene Ann Brackley, Judith Ann Egeland, Judith Ann Gillanders, Sharon Ann Christofferson, Jean Bernadette Southgate, Varnita Lee Westersund and Brian Murray Willocks.

Grande IX students who passed into X— Darlene Lee Douglas, Sandra Jean Douglas, William Russell Douglas, John Foster Ellice, Larry Thomas Grenek, David J. Groeneveld, Janice Ann Laycraft, Richard M. Laycraft, Milton James Litchfield, Cheryl Ann McWilliam, Diane Alice Peckham, Percy Lloyd Pedersen, Bertha Jo Ann Raycraft, Norma Janette Raycraft, Lois Irene Ririe, Marion Jeanette Robins, Gloria Jean Soderquist, Gordon Lorn Turner, Shirley Eunice Willoughby, James Robert Wollersheim, Phillip James Wood and Kemis Russel Wray. Jimmy Litchfield and Kemis Wray were honor students.

The blessing was asked by Sharon Christofferson. After the banquet Mr. Digory, principal, acted as master of ceremonies. Rodney Runcie proposed the Toast to the Queen. The toast to the Home and School was proposed by Brian Willocks and responded to by Cecil Kumlin, president. Jean Southgate proposed the toast to the parents to which Varno Westersund replied. Toast to the staff, proposed by Judy Gillanders was replied to by Nolan Basher. Judy Egeland replied to the toast to the graduates, proposed by James Litchfield.

Later in the school auditorium about 150 friends and relatives gathered for the graduation exercises. Rev. C. A. MacNutt gave the prayer of invocation. D. Tanas presented the Grade IX graduates, after which S. Simonson, superintendent of schools, addressed the students.

Mrs. J. Ririe, vice-president, presented diplomas to the Grade XII graduates, while Lynda Bayford, president of the Students Union gave each a class pin.

Karen Bricker, class historian, gave a very interesting history of these pupils from the time they started school. She especially mentioned that nine of them started Grade 1 together.

Reuben Hamm, of CFAC Calgary, guest speaker of the evening, gave a very fine address to the gathering. He assured the students that they had still a great deal to learn in order to achieve success in our rapidly changing world.

The Valedictory address was given by Joan Kumlin.

Mrs. Percival, past president of the Home and School presented Joan Kumlin and Kemis Wray with the Home and School awards for the highest marks in their respective grades.

Of the grade XII students, Grant Cooke plans to farm, Joan Kumlin will be taking IBM training in Calgary. Karen Bricker plans to attend the U of A to study physiotherapy. Attending Mount Royal in Calgary to complete their Matriculations will be Sharon Christofferson and Varnita Westersund. Judy Egeland plans to take a nursing aid course. Jean Southgate will continue at the Blackie High School. Marlene Brackley is planning to be married. Judy Gillanders and Brian Willocks will take further studies at Red Deer.

A dance was held following the exercises.

ARMADA

Friends of Gary Marks will be sorry to hear that he entered the Vulcan Hospital last Tuesday. He returned home on Saturday.

Friends of Mrs. Lynch will be glad to hear that she returned home from the Vulcan Hospital on Sunday.

Mrs. Mamie Dawson of Calgary spent a few days at the home of Mr. and Mrs. Herb Craine. She also renewed acquaintances in the district.

Morley Bloxham who has been working in Taber for the past year was home over the weekend. He left from Lethbridge on Monday by plane for Yellowknife where he has accepted a two-year posting with the Canadian Imperial Bank of Commerce.

The farmers were forced to shut down their combines and swathers due to the present inclement weather. Hopes are that there will soon be sunshine again and harvesting will continue.

Mr. and Mrs. Gary Mahoney of Lethbridge are being congratulated on the birth of a daughter in Lethbridge on Sept. 14.

Mr. and Mrs. Eli Hopkins visited at Claresholm and Calgary over the weekend.

E. Pasoli returned home this week from Calgary where he was a patient in the Holy Cross Hospital for several weeks.

Miss Betty Carlson, R.N., of Wetaskiwin spent last week visiting at the home of her parents, Mr. and Mrs. Ted Carlson.

Mr. and Mrs. Oscar Castator of Red Deer were guests at the home of Mr. and Mrs. Ted Carlson for three days last week.

Mrs. Gordon Petronech and her son Gordie were visitors at the home of Mrs. Dora Nowlin at Mirror one day last week.

Mrs. Dewilla Anderson of Calgary is visiting relatives in the district.

Mr. and Mrs. Norman Carlson were recent visitors with Mrs. Lillie Powell.

Mr. and Mrs. I. A. Williams are both at home after being hospitalized for some time.

Rally Day Service at the Champion United Church was well attended. Harry Cummins, Linda and Frank Cummins, Edna Sanderson and Judy Fleetwood all took part in the service.

Mr. and Mrs. Gordon Goings and Barbara have returned from a holiday in Northern Alberta.

Weekend guests at the home of Mr. and Mrs. E. D. Nowlin were Myrna Empy, Bowden; Myrna Whitson, Mannville; Yvonne Kozdrowski, Edmonton and Lee Stuve, Sedgewick, all former residents of

Pembina House, University of Alberta. Lorraine Nowlin has been appointed president and co-ordinator of Pembina House in Yvonne Kordowski's place.

Mr. and Mrs. Russell Seldon, Mrs. Gerald Groves and Donna visited with Mrs. Groves' uncle, who is a patient in Grande Prairie Hospital.

D. L. Lang of Edmonton has accepted a position with the local branch of the Canadian Imperial Bank of Commerce. Ken Fordyce leaves this week and will be employed in a Calgary Branch of the bank.

Len Brooks of Calgary was a weekend visitor at the home of Mr. and Mrs. G. F. Groves.

Mr. and Mrs. Bryan Blackford of Lethbridge were weekend visitors in town with relatives.

Pat Smith and Norma Ferguson were Banff visitors recently where they attended the orientation program for first year university students sponsored by the Student Christian Movement at the Banff School of Fine Arts.

COMMUNITY PARTY

Mr. and Mrs. Ramon Hummel and family were honored in the Canadian Legion Hall on Sunday evening with a farewell party.

Vernon Jordan on behalf of the community presented Jean and Ramon with a set of melmac dishes, a croquet set for the children and a purse of money, expressing everyone's sincere good wishes for happiness and success in their new home. Ramon expressed his thanks to everyone, saying that they hated to go and that Champion would always be considered home to them. George Moses then, on behalf of the Canadian Legion, presented Jean and Ramon with gifts from the Legion, saying that Ramon would really be missed when it came to preparing their annual Bachelors Dinner this Christmas.

The evening was spent visiting and having lunch buffet style. Jacquie and Dorothy Degenstein sang a couple of songs and the evening was brought to a close with a community sing-song.

COMMUNITY SHOWER

Miss Shirley Mueller was the guest of honor Saturday evening at a community shower.

The bride-elect, her mother Mrs. George Mueller, her future mother-in-law Mrs. Loren Roemle of Carmangay, were brought to their places of honor and presented with corsages. Diane Lundberg presented the corsages and gifts, and on behalf of everyone, wished her future happiness.

A short program followed: Diane Lundberg sang a solo, Mrs. Russell Hegland conducted an amusing contest and a number of Shirley's school friends sang a song. The gifts were pulled in, in an appropriately decorated wagon, illustrating the Royal Mail. Marlene and Lynn Kranzler pulled in the gifts.

After opening the many useful gifts Shirley graciously thanked everyone for their kindnesses and for honoring her with the shower.

The evening was brought to a close with a lunch served by the hostesses.

EMERGENCY MEETING CHAMPION HALL BOARD

On Sept. 11, the Community Hall Board held an emergency meeting to deal with the financial problems confronting this board. The following resolutions were decided upon and are set out here so that the public will have an idea of their problem and action to be taken by the board if financial assistance is not forthcoming.

Picture shows which were brought in (by petition) and signed by over 50 families had to be discontinued. In the last four months \$107.40 was lost due to lack of patronage to these shows.

Expenses to operate this hall in the past years are as follows: Gas, \$294; lights, \$198; insurance, \$113; caretaker, \$350; secretary, \$120. This amounts to an average of close to \$90 per month to operate.

Rentals for the year (excluding the shows) amounted to \$772.50.

Our Town Council has donated \$250 to this amount, but are now reluctant to give any further assistance. Our local Lions Club has been looking after the hall improvements, which in the past has included: Remodeling of kitchen,

repainting the downstairs, cement floor, new stove, stage, etc.

The board is now appealing to the public and various organizations for help and papers will be placed in our various places of business asking for donations to help keep our hall open. If this appeal for funds fails the board will have no alternative but to lock the doors and turn the keys back to the town.

Signed: The Champion
Community Hall Board.

FIRST HOLY COMMUNION

Sister Gonzaga and Sister Rose Teresa conducted Vacation School at the Immaculate Conception Church in Champion the week of Aug. 12. Classes were held in the Community Hall where 28 children and two from Carmangay attended.

On Friday one of the mothers served lunch to the Sisters and children.

On Sunday, Aug. 17, nine children received their First Holy Communion. The children were Maureen Matlock, Michael Hummel, Grace Hummel, Grant Hummel, Mark Fath, Wayne Fath, Walter Lever and Allan Pasoli.

C.W.L. MEETING

Champion Council of the C.W.L. held its monthly meeting Sept. 10, at the home of Mrs. George Hummel with 14 members, two visitors and Father Marien present.

Various reports were read from the Diocesan Convention. Each member is to answer roll call next month with a religious verse.

Father Marien has applied for correspondence courses for the children of the parish. Plans were made for a rummage and bake sale in October.

A farewell gift was presented Mrs. Raymond Hummel by Father Marien. Mrs. Hummel will be greatly missed by the parish as she had always been a very active and willing member.

Mrs. Keenan and Mrs. George Hummel provided lunch. The tea prize was won by Mrs. S. Pasoli.

Vulcan and District Desperately Needs A

COMMUNITY AND RECREATION CENTRE

... with facilities for Skating Rink, Banquet Hall and Auditorium, 4-H Shows, Roller Skating Rink, Scout-Guide Work, Basketball, Badminton, Bingo, etc.

Looking from above towards the back of the arena, some idea of the over-all area of the site for the proposed community and recreation centre is shown. The new curling rink is shown at lower right while the main arena and the open area in the foreground is earmarked presently for additional off-street parking space.

A group of Vulcan and District men and women will soon form the directorate of The Vulcan District Recreation Centre whose task is outlined on this page ... that of renovating the Vulcan arena into a community and recreation centre.

The decision to use the Vulcan Arena as site for this ambitious renovation program was brought about by three main factors:

1) While a completely new community and recreation building would be the ideal solution to Vulcan's need, the Steering Committee, whose work has brought this recreation project to its present state, has found such a plan is financially beyond the present means of the town and district.

2) Recent examination of the arena by a government inspector has revealed it to be structurally sound — with noted minor exceptions — and he recommends its use to that intended by the committee in charge. He has valued the useable portion of the building at approximately \$50,000. He also stated that this arena is in far better condition than were others in this area which have been successfully renovated.

3) The present arena site is within walking distance of most town children. Were any other site possible, it would almost certainly be out of the central area.

The need for a recreation and community centre as a focal point in the daily life of Vulcan and District has been clearly evident for many years and becomes increasingly so as time passes. From almost two years of preparatory surveys and planning by a group of local and district men and women, has evolved a representative organization which, when it is completely incorporated, will be known as The Vulcan District Recreation Centre. This group is confident that, with local and district financial support, such a recreation centre can be built to serve a wide variety of needs.

The organization considers the first step in such a project is artificial ice with a cement floor and since this step involves approximately \$50,000 and in that the families of Vulcan and District will be asked to contribute to it, the committee feels all members of the community should be informed as to what has transpired to date and what will be the recreational centre.

Incidentally the use of the Winter Works program and voluntary labor has not been overlooked in an effort to keep the initial cost down which will leave more of the \$50,000 available to provide for the expansion program.

In February, 1962, because of overwhelming response to a proposal of organized hockey for local youngsters, coupled with the lack of ice facilities due to weather conditions, the Vulcan and District Junior Hockey Assoc. arranged a meeting of members of the community with a view to the possibilities of artificial ice at the Vulcan arena.

The following were present: M. Scoble, B. McKay, P. Lucas, L. Voisey, W. Richardson, H. Matlock, F. Wythe, P. Roe, D. Wilson, H. Klippert, W. Franks, H. Stoddard, A. Cutforth, M. Morrison, M. Gottenberg, P. Walker and G. Brown.

A Steering Committee to consider all aspects of the project was appointed from this group. On it were W. Richardson, chairman; G. Brown, secretary; members, B. McKay, H. Klippert, P. Walker, D. Wilson, L. Voisey.

The main activities of the Commission were as follows:

1) The preparation and submission of a questionnaire to 10 towns and villages in Southern Alberta which had installed artificial ice, as to the method of financing, general approach to their project, assistance by way of government grant, operating expenses, pitfalls encountered and whether they recommended cement flooring. Replies were received from Stettler, Camrose, Vermilion, Innisfail and Hinton. Among other information received was unanimous support for cement flooring which assured year-round activities.

2) Direct contacts were made to Ministers of the Provincial and Federal Government as to the possibility of obtaining assistance by grant, however no immediate success was obtained.

3) A survey of the town and district was made to determine possible response to future fund canvassing. Approximately 80 per cent were in favor with contribution offers ranging from \$25 to \$100 and assistance in labor and equipment being volunteered.

4) Raffle conducted in connection with a quarter horse donated by Morley Scoble which raised approximately \$650.

5) Liaison with Town Council which agreed to leasing of the property for a nominal amount and a continuance and possible additional assistance in the way of maintenance and caretaking.

6) Contact with social clubs, lodges, Chamber of Commerce and other groups enquiring of possible assistance. Non-financial support was received from Legion Aux., Vulcan Drama Group, Royal Canadian Legion, OORP, Oddfellows and Elks Lodges.

7) The Commission, being the steering committee, having considered it had served its purpose, felt that the project should be fostered by some organization. The Elks Lodge indicated its willingness to assist and appointed a chairman to act with a committee made up of representatives of various organizations and groups. Pat Walker is chairman and members are W. Richardson, Virginia Mitchell, B. McKay, L. Voisey, J. Wolfe, M. Scoble, A. Murphy, R. White, M. Jordan, N. Bucholtz, G. Brown, G. Richardson, F. Wythe, H. Stoddard, P. Pickersgill.

(At an earlier stage the Vulcan Elks Lodge conducted a raffle which brings funds presently on hand to approx. \$2,000.)

Activities of this committee are:

1) Interviewing architects to determine the soundness of the present arena. (Confirmation has been received that it is sound and adaptable to proposed plans).

2) Interview Artificial Ice Installation companies re costs, etc.

3) Initiate the formation of The Vulcan District Recreation Centre to administer present project and establish full scale recreation and community centre, possibly to the eventual employment, with government assistance, of a full time recreational director. The Directorate will be made up of representatives of Town of Vulcan, B.P.O.E. Vulcan Lodge, No. 121, Vulcan Kinsmen Club, Vulcan Lions Club, County of Vulcan, No. 2, Royal Canadian Legion, Vulcan Branch No. 21, Vulcan District Chamber of Commerce, Vulcan Lionettes Club, O.O.R.P., Vulcan Lodge, No. 133, Vulcan Curling Club and such other persons or organizations that may from time to time be appointed by the directors.

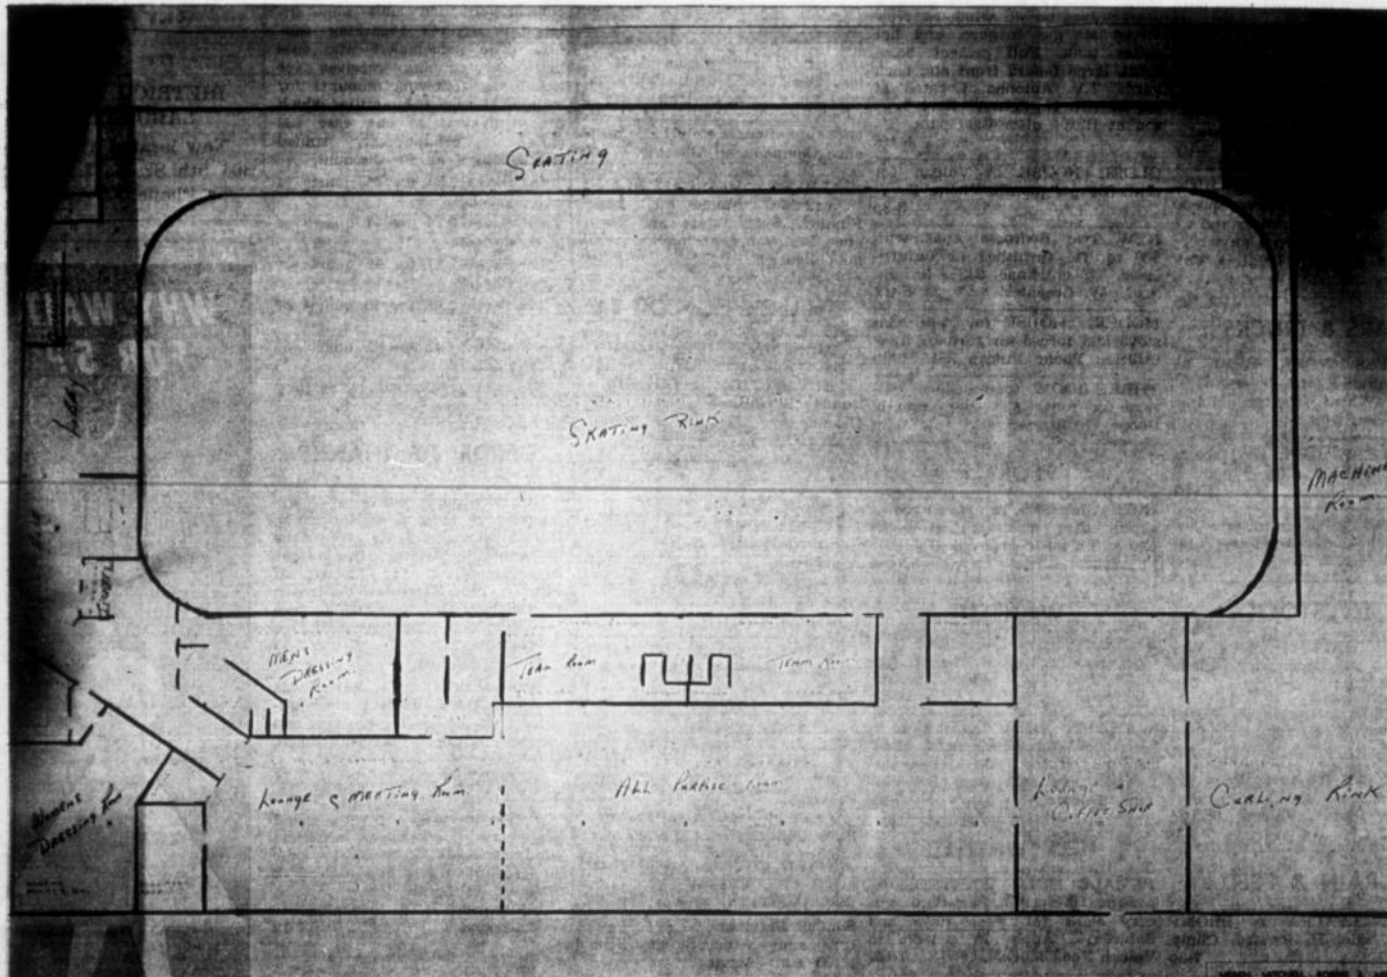

4) Application to have Association registered so contributions may be income tax deductible.

5) Preparation of pledge forms which will be circulated for use of donors.

From the foregoing it can be seen that an energetic program is at hand. It has been expressed that this initial expenditure is associated directly with hockey, however this is not the case absolutely. The ice installation and cement floor is designed as a nucleus of what is hoped will be a full blown recreation and community centre. The ice arena can see year-round use with general skating, figure skating, junior and senior hockey and carnivals scheduled for winter. In summer it can be used for 4-H activities, roller skating, basketball, badminton, bingos, Boy Scout and Girl Guide activities and other purposes.

It seems from investigation of the facilities in surrounding towns of lesser population that our town is far behind the times in this respect. And so it is sincerely hoped that when the canvasser calls upon you, whether you have children or not, you will do your best to assist in financing this initial project.

First Step: Artificial Ice

A rough architect's sketch of one proposed plan for renovation of the arena is shown above and has been studied by the committee. It will be changed extensively by the directorate of the Vulcan District Recreation Centre. However such an outline does give some idea of the flexible nature of the building for change and renovation.

Recreation Centre—

As announced in this issue of The Advocate, a campaign to raise funds for the financing of a community recreation centre will get under way as soon as harvest is completed. The objective is a minimum of \$50,000 and plans call for the enlarging of the ice surface in the present arena and installation of an artificial ice plant and the construction—in the area presently occupied by the old part of the curling rink—of a lounge and meeting room and a room large enough and with the necessary facilities for holding banquets.

The arena has been inspected and pronounced structurally sound and first step in the big project will be the installation of the artificial ice plant. Envisaged as part of this \$50,000 first step would be the laying of a cement floor in the arena making it suitable for various uses the year round.

The local need for a banquet room, complete with kitchen and cloakroom facilities, and capable of seating up to 300 people has been recognized and the construction of it and other auxiliary facilities would comprise the second stage in the over-all plan.

The committee in charge of the project has been active for the past year-and-a-half and has considered many alternatives before settling on the present plans. A new building in a different location was found to be financially impossible and would have meant the abandonment of the present arena which is conservatively estimated as worth about \$50,000. Consideration of all factors indicates that the present plan—with such changes as may be found necessary—is the only feasible plan. In short: it is this or nothing.

The whole-hearted support of organizations and individuals in the community will be needed. The objective is relatively modest when compared to an all-new community centre and if the project meets the basic needs of the community at this time—as it appears to—the support needed should be forthcoming.

LETTER TO EDITOR

Champion, Alta.
Sept. 12, 1963.

To the Editor of The Advocate,
Dear Sir:

I would rather not have my name put on this but it is bothering me.

We read a number of letters asking for help from the Vulcan people to donate money for a new recreation centre. There is no doubt you do need a centre, but for a town who has fought to become the county seat and the centre of interest in this county, you have the poorest, most terrible side walks on the south side of your streets. Smaller towns such as Champion and Carmangay have decent streets to walk on. What is the matter with the town council? Can't they see what the street is like or don't they ever walk on the south side? One young girl is known to have fallen down just recently because of this. Luckily, she was not injured, but what about your senior citizens who, as they get older have more difficulty with their balance? Are they to fall also? They probably wouldn't get away so lucky. I am not a resident of Vulcan, but come

into town quite often.

I would also like to say that I think your night patrol man should check the cars parked outside the theatre. Some of your teen-agers are letting the air out of the tires. Maybe this is fun, but I fail to see any humor in running a tire because of it.

People like to go to a show once in a while and you need outside patronage to keep up the shows. But if this happens too much, then I guess the people will go somewhere else to a show. I am speaking from experience on this and was very disgusted to think I couldn't even enjoy a show peacefully.

An Irritated Person.

WHY BRINED PICKLES SPOIL

The making of old fashioned dill pickles depends on bacterial action—the process of fermentation. The heavy salt solution, or brine, in which the pickles are placed destroys most bacteria, but there are some bacteria which can tolerate salt. These grow and feed on the small amount of sugar and other food dissolved from the cucumber as it soaks in the brine. The decomposition of sugar by the bacteria produces acid and gas. The gas produces froth. The acid is very important because it is what preserves the pickles. Eventually the concentration of acid becomes so high that practically all the bacteria are killed and frothing ceases.

There are also yeasts present in the brine. Yeasts need oxygen to grow so they grow on the surface of the brine producing a scum. If this scum is not removed the yeasts feed on the acids of the brine and decompose it. If the scum yeasts are allowed to grow long enough all the acid is used up and the pickles become slippery, soft and mushy. So it is very important that the scum is removed daily.

Anything which diminishes the acid content of the brine may cause spoilage. Alkaline water neutralizes the acids and may be a cause of spoilage. The addition of a tablespoon of vinegar to each quart of water will help. Many modern recipes for dills use larger amounts of vinegar. Short process recipes using a hot vinegar brine solution are easier to use for good results but do not produce the same flavor as in the old fashioned dill.

In making a brine for pickles it is important that directions be followed exactly. Too weak a brine causes pickles to soften and spoil. Too strong a brine will cause them to shrivel and toughen.

Use bag salt or dairy salt for your pickles brine, not the free running table salt. The latter has an alkaline substance added to keep it from caking and this also neutralizes the acid in the brine.

Another important factor is to keep pickles below the surface of the brine. Otherwise they are exposed to bacteria and molds which require air for growth and which cause the pickles to become soft and slippery.

ON THIS AND THAT

We have been doing some cost comparisons and have some interesting figures regarding canning. The homemaker who does her own canning receives (or loses) the following amounts for canning the listed quantities which are equivalent to one case (24 cans) of commercially canned fruits bought at 5% discount.

- (a) Saves 1.54 for 11 quarts of peaches.
- (b) Saves 3.70 for 11 quarts of apricots.
- (c) Saves 2.05 for 11 quarts of cherries.
- (d) Saves 1.58 for 15 quarts of pears.
- (e) Saves 1.41 for 11 quarts of plums.

BRANT

The fall classes of the Brant Sunday School have commenced. All children are invited to attend. The following Brant district students are to be congratulated on receiving their diplomas at the recent graduation exercises of the Vulcan County Central High School: Linda Heide, Janice Hunter and John Prater.

Awards were presented at the same time to the students making top marks in each subject. Congratulations are extended to these students from the Brant school: Maxine Atkins, Frances Ferguson,

Blaine Knapp, Daphne McFadden, Norma Nelson and Wallace Prater.

BRANT U.C.W.

The September meeting of the Brant United Church Women was held in the church hall with the vice-president, Mrs. Jean Olsen in the chair. Eight members were present. Mrs. Eva McKay lead the devotional taking as her theme the Parable of the Ten Talents and our responsibility of putting our talents into action.

It was decided that the U.C.W. would carry on the drive for funds for the Canadian Bible Society with Mrs. Una Burley as chairman of the committee. A letter from a missionary in Formosa was read expressing thanks for the used Christmas cards. These are to be stamped with a Bible verse in Chinese and given to the children in the hospitals, leper colonies etc.

October 30 was set as the date for the annual bazaar and tea. The October meeting will be held at the United Church Manse in Cayley on October 10. All women wishing to attend are requested to meet at the church at 1:45 p.m.

Following the meeting, a delicious lunch was served by Mrs. Bea Prater and Mrs. Vickie McNiven.

Pioneer Families Represented At Champion Wedding

Red roses and baskets of mixed flowers were tastefully arranged in the United Church at Champion, August 24, as LaRee Causey, daughter of Mr. and Mrs. Dave Causey became the bride of Merlyn Jones, son of Mr. and Mrs. Sterling Jones. The double ring ceremony was performed by Rev. Bruce Fyke.

The bride was radiant in her bouffant style norganza gown, designed with lily point sleeves and a pearl beaded neckline. Back inter of the floor length skirt was created by self-material roses. Her shoulder-length veil misted from a single white rose which was surrounded by lily-of-the-valley. She carried a lace covered white bible, a gift of her maternal grandmother, Mrs. Fred Clever, and it was topped with pink roses, from which fell streamers knotted with pink sweetheart roses. She wore a single strand of pearls with matching earrings, the gift of the groom.

Attending the bride as matron of honor was Mrs. Wayne Anderson, and the groom's sister, Judy as bridesmaid. They wore identical afternoon gowns of blue peau de sole with matching pill box hats encircled with blue net. Their jewelry was crystal necklaces and earrings, gifts of the bride and they carried nosegays of pink carnations. Colleen Jones, sister of the groom was the little flower girl. Her full skirted frock was also fashioned of blue peau de sole. She wore her gift from the bride a crystal necklace and carried a silver basket filled with pink carnations.

For her daughter's wedding Mrs. Causey chose a two-piece outfit, a pink lace sheath dress and matching lace three-quarter length coat. She wore a pink lace and silk picture hat with white accessories and a white carnation corsage.

Mrs. Jones, mother of the groom wore a two-piece ensemble, a blue brocade sheath dress with a matching three-quarter length coat, a blue net hat with white accessories and a pink rose corsage.

Murray Ohlheiser was best man and the guests were ushered to the ribbon and rose-bud marked pews by Roger Smith and Bryan Matthews of Lethbridge cousin of the bride.

During the signing of the register, Mrs. Lorne Ecklund of Nobleford sang "The Wedding Prayer". Mrs. Ted Carlson was the organist.

Following the ceremony, a reception was held in the church basement which was beautifully decorated for the occasion in a pink and white theme. The bridal table was centered with a three tiered cake, embedded in blue tulle and pink rosebuds and flanked by blue and white candles.

Mrs. Chris Dann of Calgary was in charge of the guest book. C. Versluys was Master of Ceremonies. Russel Hegland proposed the toast to the bride, with a fitting reply by the groom. Murray

JONES — CAUSEY

Ohlheiser proposed the toast to the bridesmaids. Mr. Versluys called on the father of the bride for a short speech. Dave expressed his appreciation.

Lorna Matthews of Lethbridge, cousin of the bride and Donna Fleming of Champion were in charge of the gifts.

Telegrams were received from the grooms brother and family Bill Jones of Wetaskwin and a friend of the couple, Pat Smith, holidaying in Penticton and Mrs. Ella Jones of Regina. There was also a pleasant surprise a phone call from the groom's maternal grandparents, Mr. and Mrs. A. E. Dean of Penticton, B.C.

Mr. Versluys mentioned to the guests an interesting point, Mrs. Fern Caspell cousin of the bride's grandfather, Fred Clever was present and this brought to mind the fact that the Clevers had come as pioneers 500 miles overland accompanied by Harry Higgins and Al

Miller. Members of these pioneering families were all represented at this gathering.

The guests were entertained by Mrs. Lorne Ecklund who sang, "For You", accompanied by Mrs. Ted Carlson and by the Hummel girls, Eleanor, Ruthie, Gracie and Joan who sang a medley of songs accompanied by their mother.

The bride chose a blue wool flannel two piece suit to go away in. She wore a smocked hat of matching material, gold earrings and bracelet, black accessories and a corsage of pink roses.

The couple left for a honeymoon trip to Banff after which they will make their home in Calgary. The groom is employed by the Calgary Co-Op. The bride will teach grade three at Eugene Coste Elementary.

Out-of-town guests included friends and relatives from Lethbridge, Calgary and Vancouver.

about eight inches. The loops should be in rows across the length or width of the building and the rows should be six to eight feet apart. Strings loped in the windows will increase effectiveness of the kill. The soaked strings can be put up around the end of June and left there for the season.

THE CAMEL BIRD

The ostrich is known as the "camel bird" because of the great strides it takes when running. The Encyclopedia Americana says that these strides measure from 12 to 15 feet when the ostrich is in full flight and that the bird's speed will reach 40 miles per hour. This

speed compensates for the ostrich's inability to fly. A female ostrich lays about 15 eggs at a time, each egg weighing roughly three pounds and being the equivalent in weight of two dozen hen's eggs. It is claimed that some ostriches have lived for 70 years in captivity.

LOMOND

Mrs. Fred Hart and daughter, Mrs. Commet, motored to Lethbridge last week where they visited with Walter Hart, a patient in the Municipal Hospital.

Mr. and Mrs. Leonard Huff were Lethbridge visitors on Saturday.

Mrs. Joan Hart and family returned home last week after holidaying in California.

Mrs. A. Dodds and Mrs. A. Root were visitors in Lethbridge on Saturday.

Walter Hart returned home from the hospital on Saturday, and is feeling much better now.

Gary Henderson was a visitor at the home of Mr. and Mrs. Reg. Frost of Lomond last week. Gary left Friday for his home in Nanaimo, B.C.

Mr. and Mrs. Bruce Nesbitt of Calgary were visitors at the home of Mr. and Mrs. Johnny Gray of Lomond on Tuesday last week.

Best wishes for a speedy recovery are extended to Mrs. Fred Lindstedt, Mrs. L. Chase and Al Clifford, all of Lomond, who are at present patients in the Vulcan Hospital.

The St. Johns Anglican Guild will be held at the home of Mrs. H. Goldthorpe on Thursday evening, Sept. 19.

BETHANY L.C.W.

The September meeting was held two weeks in advance at the home of Mrs. Tillie Magnuson and was opened with the hymn, "Jesus Priceless Treasure," followed by the roll call which was answered by 14 members. There were also six visitors present. Pastor Berg led the devotional and the Bible study was taken from Colossians 3 versus 5 to 17, entitled "Christ Is Our Garment, So Live In Him."

Mrs. Norma Magnuson gave an interesting reading on Parish Education which was the LCW's cause of the month for September. The usual reports were disposed of in order, followed by correspondence, also a letter from our missionary Marie Tveit who will shortly be home on leave from her work in Japan.

The dinner for the South Alberta District Lutheran Conference which will be held in Lomond on Sept. 19, was discussed and partial plans were made to be finished later by the lunch convener and helpers. Three members added their pennies for each year of life to the birthday box and were cheered with the "Happy Birthday" song by the rest of the members.

The meeting was adjourned with the hymn, "Take My Life and Let It Be," followed by "The Lord's Prayer" repeated in unison. While lunch was being prepared a number of articles for sale of the month were displayed. These were mostly garden produce, also some jelly and jam. The sewing committee distributed some goods for sewing and fancy work.

A very lovely lunch was then served by the hostess and her daughters-in-law, to end a busy and pleasant afternoon. The next meeting will be held at the home of Mrs. Evelyn Elliott on Oct. 16.

MILO

Mrs. Alma Turlock of Calgary spent a few days at the home of her mother.

Miss Jean Thomson, R.N., returned to Kimberly, B.C., on Sunday after spending the past week at the home of her parents. Jean will be the public health nurse at Kimberly.

Mr. and Mrs. Bill Shield were Sunday guests at the Jack God-fried home.

Mrs. E. Morin and infant son Patrick Jack have returned home from a Calgary hospital.

Mr. and Mrs. Robbie Thomson of Banff spent the weekend here.

Weekend guests at the Tom Beckner home were Clifford Beckner, Mr. and Mrs. Tom Bate-man and Mr. and Mrs. Vern Orchard and family, all of Calgary.

Mr. and Mrs. Henry Leback of Vulcan visited at the Gladys Phillips home on Sunday.

Mr. and Mrs. Ralph Hall are having a new house constructed in the village.

Friends of Mrs. Del Olsen will be sorry to hear she is a patient in a Lethbridge hospital. A speedy recovery is extended to her.

Mr. and Mrs. Floyd Byers and family moved to Oliver, B.C. recently.

Mr. and Mrs. Joe Thomson, Jr., were Thursday Calgary visitors. Murray Phillips motored to Calgary on Sunday where he will attend a convention.

"A TRIBUTE"

As I took a farewell glance at the remains of the late George Wainwright a few days ago, my thought wandered back to the fall of 1914, when I first made personal contact with that fine soldier.

The 31st Bn. was just recruited and with his wide experience of military affairs, George was given the rank of Q.M. Sgt. of the Battalion. I had been issued my uniform, underwear and whatever other equipment was available at that time.

One of the khaki shirts I had been issued with was a couple of sizes too large, so I took it back to the Q.M. Stores to change it. George was behind the roughly improvised counter when I went in and enquired my trouble. On informing him, he replied, more with an order than a request, "take it back to barracks (which was one of the horse barns in Victoria Park) and change it with someone who has one too small." I think I see him now, as he followed this order up with the remark— "You're in the army now!"

His fine personality and soldierly bearing made him an outstanding figure in the battalion. His record in the war was certainly a splendid one.

Promoted to the rank of Capt. Q.M., awarded the Military Cross and mentioned in dispatches. Except for a few years after the war, it was my pleasure to have enjoyed an unbroken friendship with him and feel qualified in offering these few words as an epitaph to the memory of a Fine Soldier and Gentleman: "He served his country faithfully and well."

Maura and Johnny Middleton were confined to their homes last week with the flu.

Approximately 1½ inches of moisture was received over the weekend.

Mr. and Mrs. Tanner of Bruce County, Ontario were recent guests of Mr. and Mrs. W. Hagedorn and family.

Get well wishes are extended to Tom Leslie who is a patient in the Vulcan Hospital.

W. G. Peterson had the misfortune of being involved in a car accident on the Carseland bridge on Saturday evening.

U.C.W. MEETING
The regular meeting of the U.C.W. was held at the home of Mrs. James Devolin. The meeting came to order by repeating the U.C.W. creed.

The ladies were divided into groups for a buzz session on the "Word and the Way". The allocation for missionary work was accepted for the next year. It was decided to have Mrs. Stackhouse come on Monday, October 7, to help with the Study of "The Word and the Way" and invite the Arrowwood ladies to this meeting.

The Church supper is to be held on Friday, October 25. The roll call for the next meeting is vegetables for the Red Cross. Mrs. Joe Leslie and Mrs. James Devolin served a very lovely lunch.

EASTWAY
Mr. and Mrs. Carl Locke from California, uncle and aunt of Mrs. Reg. Stein are visiting with them and other relatives in the district at present.

Mr. and Mrs. Allan Sinclair motored to High River to visit with J. S. Smith who is a patient in the hospital.

Calgary visitors this week included the Archie Oldfields and Norman and Winnie Marshall.

Darryl Laughlin visited on Sunday at the Frank Wyatt home.

Mr. and Mrs. Ralph McKenzie and Alma-May of Carseland visited in the district recently.

Wilenia and Norman Twiss and Billy from Oregon arrived at the Bill McMullen home to assist with the harvesting.

Ruth and Charles Anderson were weekend visitors at the home of Mr. and Mrs. Wm. Marshall. While here they attended the graduation dance at Milo.

BOB LAUSEN

GERRY GOING

— LAST WEEK'S MARKET REPORT —

FRIDAY, SEPTEMBER 13th BEEF AND FEEDER SALE—
Prices were high on all grades of cattle. We had no high finished cattle on offer. We are getting a lot of "grain on grass" and these are meeting a good reception but naturally they don't bring the top quoted prices. Good to Choice Butcher Steers \$24.50 to \$26; Medium to Choice Butcher Steers \$22 to \$24; Good to Choice Butcher Heifers \$22 to \$23.80; Medium to Good Butcher Heifers \$19.50 to \$21.50. Good Cows \$16 to \$17.50. Common to Medium Cows \$13 to \$15.50; Canners and Cutters \$8 to \$12.50 or subject.

SATURDAY, SEPTEMBER 14th PIG AND MILK COW SALE—
Pigs were steady with last week: Weaner Pigs \$9 to \$11.50; Feeder Pigs \$12 to \$30; Piggy Sows \$45 to \$82.50; Boars \$15 to \$25. Milk Cows—The demand was poor for the cows we had for sale. As we have mentioned before our buyers like those good looking big cows just going to or just fresh. No Baby Calves on offer.

FRIDAY, SEPTEMBER 20th, at 1:30 p.m.—

Regular Beef and Feeder Cattle Sale.

We are being favored with lots of Packer representation at each sale so bring us your beef for top prices.

SATURDAY, SEPTEMBER 21st, at 1:30 p.m.—

Regular Pig, Milk Cow, Horse and Sheep Sale.
Bring your fat hogs to us and be assured of the highest market prices.

— SPECIAL NOTICE —

Tuesday, October 1st, we are holding our first Feeder and Calf Sale of the season and this will continue on each and every Tuesday to December 31st. Make plans to sell your cattle at the High River Auction Mart, the cleanest and largest all-covered Auction Market in Canada — the place where everyone is treated alike. We don't cater to the so-called big wheel at the expense of the smaller contributor and we are not interested in setting fictitious prices for the use of advertising.

CARMANGAY

Mr. and Mrs. Gary White of Calgary visited over the weekend with the latter's parents and brother, Mr. and Mrs. W. White and Brian.

Mrs. Lila Thompson of Oakland, Calif. is visiting her brother, Mr. J. William and friends. At present she is in the local hospital, and we wish her a speedy recovery.

Mrs. Hicks of Lethbridge was a visitor in town last week.

Weekend visitors at the Milo Seebek home were Miss Grace Mary Seebek, Miss Tiliu Kotell, Miss Justine and Robert Pearson all of Pincher Creek.

Few of the local people of Carmangay motored to Lethbridge on Saturday evening to see the Grande Ole Opry show which was held in the Pavilion.

Sunday visitors at the home of W. F. Ewing were Mr. and Mrs. Peter Kooy and family and Mrs. Blanche Bond, all of Lethbridge.

Mr. and Mrs. Glenn Moore of Creston were visiting relatives here during the weekend.

Miss Kathy Smith of Carmangay left on Saturday for Brigham Young University at Provo, Utah, where she will enter nursing.

Merv McGaw was a Thursday visitor in town.

Dick Minty who is now attending Mount Royal College at Calgary is a visitor at the home of his parents, Mr. and Mrs. J. Minty.

Mrs. Rena Burns has returned from Vancouver and Blaine, Wash. In Vancouver, she visited Miss Mary Wilkinson and other friends.

Mrs. Buelah Hubka and family accompanied by Mrs. E. Bailey were Vauxhall visitors last Sunday.

Joe Izsak is visiting Mr. and Mrs. Bob Hubka and family for awhile before returning to his studies at the University.

Loren and Dennis Roemmele are in the process of moving their farm equipment and household effects to their new home at Olds.

Members of the Ohler family attended a reunion of the Drift Willow Ranch on Sunday.

Mr. and Mrs. Roy Church accompanied by Mrs. G. Moore motored to Creston on Sunday and visited them until Thursday.

Mr. and Mrs. Jack Adams and family of Cranbrook are visiting relatives here over the weekend.

Mr. and Mrs. J. L. Price of Calgary were last Sunday dinner visitors at the Bach's.

Last Tuesday at the Sunshine club in Claresholm, Mrs. Josie Bach gave a 30 minute talk on her trip overseas, she particularly picked out parts most interesting to women.

The Carmangay Scouts had an organizational meeting on Tuesday September 10, with 16 boys registered.

Mrs. Emma Smith was hostess at her home, honoring Mrs. Melvina Roemmele who is leaving our district soon. There were 12 ladies present and they spent a sociable afternoon with the honored guest.

A lovely lunch was served by the hostess to conclude the afternoon.

Rev. J. N. LeBel of Lourdes Farm, Lethbridge stopped for lunch at the Kryzanowski home on Friday, on his way to Drumheller where he will be for two months.

QUEEN DRAMETTES

The Carmangay Queen Dramettes have begun work on two new one-act plays, "You Ain't Heard the Half of It" and "Shotgun Wedding" which will be presented in October. It has been decided to rehearse in costume and props and costumes will be made by the Dramette and friends.

"Star Song" presented with the permission of Samuel French is a beautiful one-act play. Another play the girls are working on is "Christmas".

The last presentation by the Queen Dramettes was when they appeared in Vulcan last March, when the Vulcan Drama Group presented three other plays. The Dramettes were well received in Vulcan at that time and encouraged to keep their drama club active.

PRISCILLA CLUB

The Priscilla Club met on September 4, at the home of Mrs. Emma Hauser with seven members present.

Miss Marjory Dietz, R.N., returned to her nursing duties at the Holy Cross Hospital after spending a three weeks holiday with her parents, Mr. and Mrs. Jack Dietz.

Miss Maxine Dietz is presently home on holidays.

Many of the local people attended the graduation banquet and dance at the Milo School Friday night. It was a memorable evening for the Aubrey Gore family as Gordon Gore was presented with the W1 award for the highest class marks for Grade nine and Barry Gore received the Legion Scholarship for the highest average for a first year Grade 12 student. Barry was also valedictorian and received the Home and School plaque for highest class marks in Chemistry and English.

Paternal and maternal grandmothers, Mrs. Amy Gore and Mrs. Mabel Dietz of Calgary attended the banquet and were justifiably proud and pleased to see their grandsons honored.

Also graduating from this district were Lynn Godkin, Lyle Greaves and Ronnie Fernley, who has been helping the Heather family this summer. Ronnie's parents, Mr. and Mrs. Ray Fernley of Cochrane also attended.

Many of the local farmers have completed their harvesting operations with the best yield in several years being reported. One and one-half inches of rain fell in the district Saturday putting an end to harvesting for several days, but adding some much needed moisture to the land.

Friends of Mrs. Mabel Hagg were sorry to hear that she is a patient in the Bassano Hospital where she underwent surgery on Monday.

Mr. and Mrs. Vern Maldaner as to spend it well.

had their infant son Clarke Vernon christened at the Lutheran Church in Milo Sunday. Following the services, Mr. and Mrs. Chester Thompson held a family dinner at their home.

Mrs. Bill Gooch and girls were Calgary visitors on Friday.

It is not so hard to earn money

as to spend it well.

This Population Density Map is prepared by the Alberta Bureau of Statistics and shows the locations of Alberta's areas of population. In the year ended June 1, 1963, Alberta's population increased by 35,000 to a total of 1,405,000, making it the fourth largest province in Canada, topped by Ontario, Quebec and British Columbia respectively. Edmonton, fourth largest city in Canada, is the largest in the province with a population of 303,756. Calgary is a close second with 276,975, followed by Lethbridge, 36,257, Medicine Hat, 25,109, and Red Deer, 23,106. Approximately 62% of the entire population of Alberta, a total of 870,000 persons, reside within a 100 mile radius of the City of Red Deer. During the past two years there has been little if any perceptible shift in the centre of population. It remains at Wetaskiwin, within 50 miles radius of which is found the largest portion of Alberta's populace. Alberta residents are found in 10 cities, 91 towns, 138 villages, 23 counties, 25 municipal districts, 51 improvement districts and 3 special areas.

BRIEF ITEMS OF LOCAL INTEREST

Mr. and Mrs. Jerry Sparks and girls of Calgary were overnight guests at the W. Oldfield home, at the weekend. Miss Isabell Turnbull also visited Sunday with the Oldfields en route to her home at New Westminster, B.C., after a visit in Ontario.

Mr. and Mrs. Arnold Hedin and family of Eugene, Ore., visited in the district over the weekend. Mrs. John Wolfe and Mrs. Boyd McKay entertained at a get-acquainted lawn tea last week, at the Wolfe home, when a number of new neighbors were welcomed. (This item was incorrectly reported in last week's Advocate). Mrs. Eunice LaRoche accompanied Mr. and Mrs. Wallace McIntyre of Carmangay Friday on a motor trip to Billings, Mont., where they will be guests of Mr. and Mrs. Merv McIntyre and will go on to visit Saskatchewan points before returning home.

Strathmore Rodeo

(Continued From Front Page) A competition in the same arena in May. It was on a Sunday afternoon and the arena was bulging at the seams with rodeo fans.

The High School events will include Bareback Riding, Saddle Bronc Riding, Cow Riding, Calf Roping and Jr. Girl's Barrel Race. The ladies will compete in the Ladies Open Barrel Race, Jr. Girl's Barrel Race, Girl's Cow Riding, Goat Tying and Calf Roping. Rod Tait, Westward Ho, will again be the Rodeo Announcer.

A popular added attraction this year will again be the Al Azhar Mounted Patrol from Calgary. They have travelled extensively since last year, including Billings, Montana where they were judged the best horse patrol in the Pacific Northwest. A number of district Shriners are members of the group. The Strathmore Lions Club will operate the concession booth. A Cowboy Ball will be held in the Memorial Hall on the Friday night. Entries for the rodeo events should be sent to Frankie Cockx, Strathmore.

Percy McIntyre of Los Angeles, Calif., was an overnight guest at the home of Mr. and Mrs. Peter McIntyre on Thursday and also visited friends at Carmangay Friday.

On Friday evening, Sept. 13, the members of St. Aldhelm's Anglican Church held a pot-luck supper to wish Albert Collier "God Speed" in his new life and to present him with a gift from his many friends in the church. Mr. Collier left Vulcan Monday, Sept. 16, to enter Emanuel Theological College at Saskatoon, where he will continue his studies in preparation for his ordination into the Anglican Church. Mrs. Collier and three sons are remaining for the time being in Vulcan.

Mr. and Mrs. Bill Mack of Ponderosa, Calif., and Mr. and Mrs. Gerald Eastman and Linda of Healdsburg, Calif., returned home recently after a two-week visit at the Dave Crabb and Ernie Bowie home.

Linda Doelling of Edmonton is spending the week with her grandmother, Mrs. Frieda McRoberts and with other relatives in the district.

Mr. and Mrs. Percy Myers have returned from Edmonton, where they spent several days last week visiting at the Billy Myers' home.

Mrs. E. Schmidt left on Sunday to spend two weeks with Mr. Schmidt at Vermilion.

Mr. and Mrs. Larry Northcott and son, Bradley of Brooks and Mr. and Mrs. Ron Northcott of Calgary were weekend guests at the Charles Northcott home.
